

Lodge based 5 day husky adventure

Departs every Saturday from 19th Nov 2011 to 13th April 2012

This is an exciting dog sled tour filled with fun and adventure for the beginner musher. Spend your days mushing your own team through the pristine wilderness surrounding the ranch. Relax in the evenings with a shower, sauna or snuggled up by the fire recounting your day's adventure with others on your tour! We do everything we can to ensure that this is your adventure of a lifetime and that you go home with many happy memories of your visit.

We do recommend that you arrive the day before your tour. Whether you arrive the day of your tour or days before don't worry we'll take care of you. All clients will be picked up at the airport upon arrival and taken to a hotel or straight to the ranch. Pre and Post nights can be booked for you upon request.

Day 1 Saturday

The morning on the day of your tour you will be picked up at 10am in the hotel lobby. As a group we will do some last minute shopping and pick up any items missing from the packing list. Afterwards we drive to the Wilderness Ranch, 20km South of Whitehorse where we outfit you with your expedition clothing. Enjoy a hot lunch and then be introduced to your 4 legged companions for the tour. Now you learn the basics of; dog care, checking their feet and shoulders, dog massage, sledding and parts of the sled. Harness your team, hook up and go for your very first run! After taking care of the dogs we can enjoy the sauna, have a shower, hot dinner and cozy up by the fire. (L,D)

Day 2 Sunday

While the morning sun lifts slowly over the magnificent horizon, we say good morning to our new canine friends and ensure they are fed, watered and happy. Then we sit in the comfort of our lodge dining room having breakfast and plan our day. Today we cover approx 35km in distance driving towards secluded Jackson Lake. The only sound will be the runners in the snow, the working dogs, and your words of encouragement. This is the day that you begin to know each dog's personality and form a bond that only man and dog can understand. With every stop, praise and show of affection for your dogs, they will learn to trust you and you to trust them. Relax in our sod roof sauna before retiring for the night. Overnight at the ranch. (B,L,D).

Day 3 Monday

Today your team will pull you east of the ranch. As we climb in elevation we are heading onto an old abandoned mining road on McIntyre Mountain. Enjoy the rugged landscape of the coastal mountains nestling Fish Lake in it's valley. Keep an eye out for wildlife - you never know what you might see! Return to the lodge for the night. Take care of the dogs, then curl up by the fire or sit around the dinner table recounting your adventures with others. There is a gravity fed shower waiting for you in the main lodge. (B,L,D).

Day 4 Tuesday

This day takes us towards beautiful Bonneville Lakes, west of the ranch. The trails are narrower here with some challenging ups and downs. The scenery is breathtaking and the coastal mountains are always in view to the south and west. Part of the trip we are above tree line and easily cover 20-30km. A breath of new life will creep slowly into your soul and in harmony with the running rhythm of your team you will enjoy nature like you have never experienced it before. Take it all in and these memories will go with you as you continue your journey home. In late afternoon we drive you to Whitehorse where you spend your last night at the Best Western Gold Rush Inn.(B,L). Here you will receive your musher's diploma and a shuttle pass.
